Ingredients

- 1 1/2 cups all-purpose flour
- 1/3 cup cocoa powder
- 1/4 tsp baking powder
- 1/4 tsp salt
- 1/2 cup butter, at room temperature
- 1/3 cup granulated sugar
- 1/4 cup brown sugar
- 1 egg
- 1 tsp vanilla extract
- 1 oz chocolate chips, melted
- 1/4 cup M&M'S® Milk Chocolate Ghoul's Mix

Instructions:

1. 1

In small bowl, whisk together flour, cocoa powder, baking powder and salt; set aside.

2. 2

Using electric mixer, beat together butter, granulated sugar and brown sugar until light and fluffy, scraping down side of bowl as needed. Beat in egg; beat in vanilla until combined. Stir in flour mixture; beat on low speed just until combined.

3. 3

Roll out dough between 2 sheets of parchment paper into 1/4-inch thickness. Transfer to baking sheet; refrigerate for about 30 minutes or until firm.

4. 4

Preheat oven to 375°F. Cut out paper coffin template, about 2 1/4 inches long, and 1 1/2 inches at widest part of coffin; set aside.

5. 5

Using template, cut out 36 coffin cookies, rerolling scraps as needed (alternatively, use 2 1/2-inch coffin-shaped cookie cutter).

6.6

Place cookies on parchment paper-lined baking sheets, about 1-inch apart. Cut out middle section of 12 cookies, leaving 1/2-inch border around edges (this will be the middle part of the coffin so the cookie can be filled; bake or reroll these pieces for cookies if needed.)

- 7. 7
 Bake for 6 to 8 minutes or until tops are set. Let cool completely on rack.
- Arrange 12 uncut cookies on work surface. Brush edges with melted chocolate. Place 1cutout cookie on top of each uncut cookie, lining up edges.
- 9. 9

Fill each coffin center with M&M'S® Milk Chocolate Ghoul's Mix. Brush edges with more melted chocolate; cap with remaining cookies to resemble lid of coffin. Let stand for 8 to 10 minutes or until chocolate sets.

10. Tip 1

If desired, using blunt end of paring knife, score the top of 12 cookies to mimic the wood grain in a coffin. Alternatively, dust cookies with cocoa powder or decorate with melted chocolate or icing if desired.

11. Tip 2
Substitute royal icing or chocolate buttercream frosting for melted chocolate if preferred.
